How to log in to Investor Zone

This guide explains how to log in to Investor Zone through our website.

Locating the login page

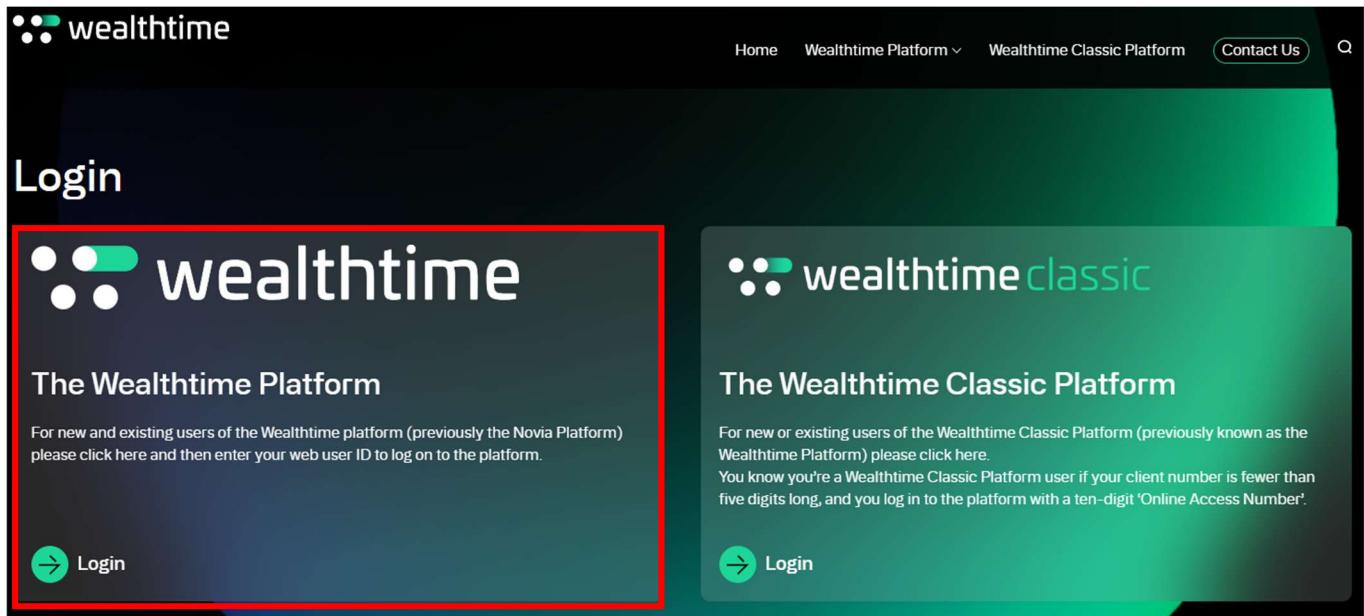

- 1) Go to [wealthtime.com](https://www.wealthtime.com) and select 'Investor'.

- 2) This will take you to a page where you can log in using either of the two highlighted buttons.

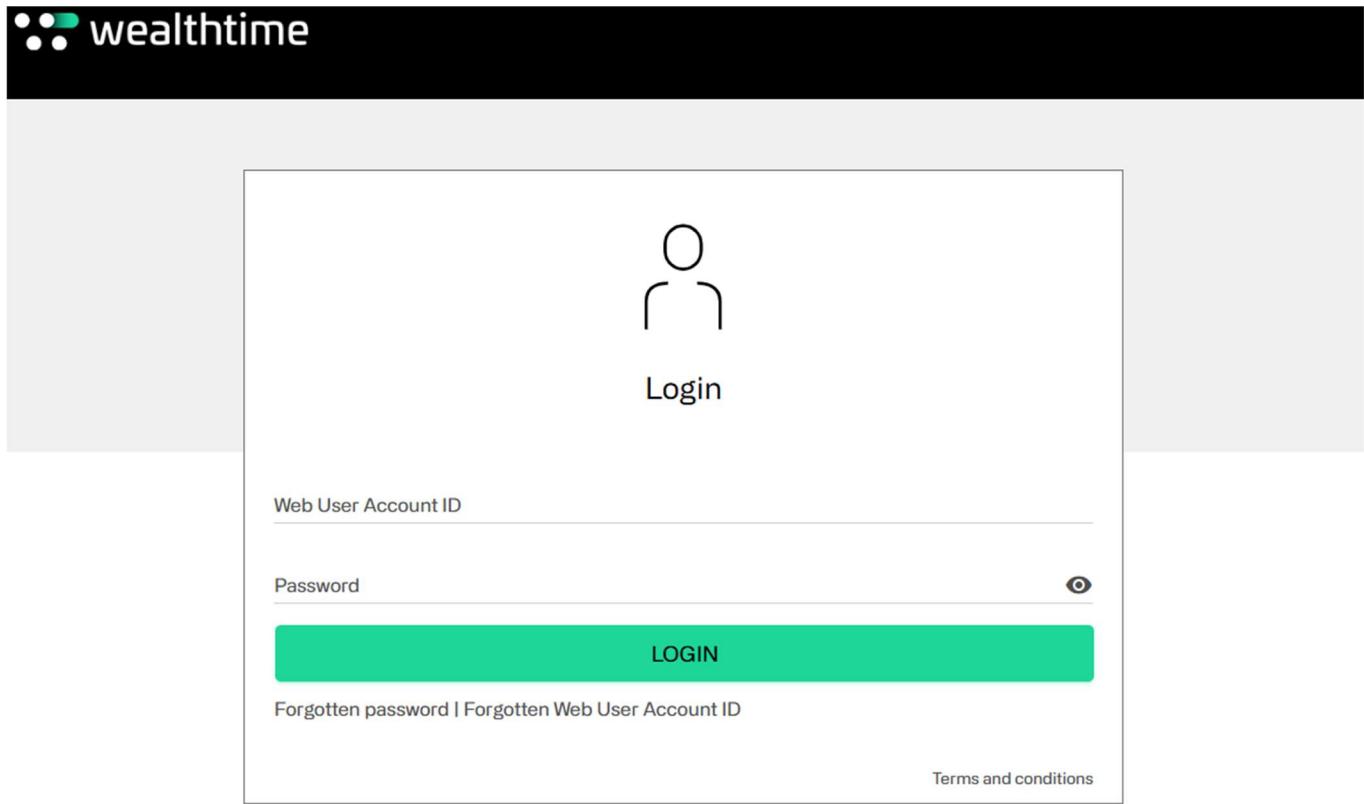

- 3) After pressing 'Log in' you'll be asked whether your account is for Wealthtime or Wealthtime Classic. Please select 'Wealthtime' on the left-hand side.

The screenshot shows the wealthtime login page with two main sections. The left section, highlighted with a red box, is for 'The Wealthtime Platform'. It features the wealthtime logo, a sub-headline 'The Wealthtime Platform', and a note for new and existing users. It includes a 'Login' button. The right section is for 'The Wealthtime Classic Platform', also featuring the wealthtime logo and a 'Login' button. The top navigation bar includes links for Home, Wealthtime Platform, Wealthtime Classic Platform, Contact Us, and a search icon.

- 4) You will then be redirected to the login page where you can fill in your Web User Account ID and password.

Please note that your Web User Account ID is different to your 6-digit investor ID. This would have been sent to you via email when you first activated your account, asking you to create your own unique password.

The screenshot shows the 'Login' page. It features a large 'Login' button with a user icon above it. Below the button are two input fields: 'Web User Account ID' and 'Password'. A 'LOGIN' button is positioned below the password field. At the bottom of the page are links for 'Forgotten password | Forgotten Web User Account ID' and 'Terms and conditions'.
