Expression of wish form

Please provide details of those you'd like to receive any benefit payable under the scheme on your death. If you want to list more than four people, please copy this form and enter their details.

This expression of wish does not bind the Trustee of the scheme but will help the Trustee to pay out benefits in line with your wishes. Wealthtime Select may be obliged to make payments other than to individuals of your choosing. It can be altered at any time by informing us in writing or completing a new form.

I wish to have my spouse/civil partner as my sole beneficiary. However, should he/she predecease me, I wish for the benefits to be distributed to the following beneficiaries in the proportions indicated.

My spouse/civil partner is not to be my sole beneficiary. Please distribute to the following beneficiaries in the proportions indicated. By naming an individual, they'll be able to choose either the lump sum option or (as a nominee or dependant) a pension or annuity (or a combination of the three options).

If this form does not enable your wishes to be taken into account, then a separate independently written expression of wish is perfectly acceptable as long as it's clear and unambiguous.

Declaration

This declaration forms part of your SIPP application and together with the Wealthtime Select terms and conditions will constitute a legally binding contract between you and Wealthtime Select. Please note that Wealthtime Select means Wealthtime Limited or Wealthtime Trustees Limited where appropriate, unless a specific company name is mentioned.

I confirm that to the best of my knowledge and belief, the particulars and declarations given in this application form are correct and complete.

I understand Wealthtime Select will correspond with my appointed financial adviser.

I also understand Wealthtime Select will provide a formal statement of my plan every quarter and that a current valuation can be accessed anytime through the Wealthtime Select online service.

In regard to my expression of wish, I confirm that, where I've disclosed information about another person, I have:

- obtained their consent to disclose such information.
- informed them of the reason their information will be processed.

Income Transfer Plan (ITP) arrangement

I request and consent to the payment of benefits set out in this application.

I understand and agree that, if appropriate, Wealthtime Select has my authority to check with HM Revenue & Customs the details of any certificate I supply that enhances my lifetime allowance.

I understand the ITP arrangement has been established for the purpose of accepting the transfer payment of crystallised funds from registered pension schemes only.

I understand the ITP prohibits the acceptance of other types of transfer payments.

I understand that no pension commencement lump sum is payable under the ITP.

Please note: if this application is also to be used as an application for tax relief at source, it's a serious offence to make false statements. The penalties are severe and could lead to prosecution.

I request the issue of an arrangement(s) under the scheme, held by Wealthtime Trustees Limited as a separate trust fund, distinct from other arrangements under the scheme. I understand that details of the arrangement are available on request.

I agree to tell Wealthtime Select in writing within 30 days if:

- there's any change in my residency status.
- there's any change in my name or permanent residential address.
- I lose or give up the right to enhanced protection.
- I receive benefits from another pension arrangement (please detail the size and nature of those benefits).

If I'm no longer entitled to tax relief on my contributions, I will let Wealthtime Select know in writing:

- before 5 April in the year of assessment in which this occurs, or
- within 30 days of this change.

I agree that the total contributions to any registered pension schemes, where I am entitled to tax relief, will not exceed the higher of:

- £3,600, or
- my relevant UK earnings for the tax year, subject to a maximum contribution of the current annual allowance plus any carry forward entitlement I may have.

I understand the value of my plan may only provide benefits at the time I take retirement benefits or upon my death, and that Wealthtime Select will provide the appropriate benefits as required.

I will let Wealthtime Select know if I have taken or will take flexi-access drawdown benefits.

I consent to Wealthtime Select requesting the transfer of my entitlement to benefits from the schemes listed in the transfers section. And I consent to Wealthtime Select obtaining details from any pension scheme, contract or arrangement that I am, or have been, a member of in connection with the transfer.

I also understand that:

- any entitlement to take lump sum rights in excess of 25% may only be retained on transfer, provided the transfer is part of a block transfer as defined by HM Revenue & Customs legislation. However, if this lump sum figure is over £375,000 and I have enhanced or primary protection, the lump sum on these certificates will take precedence.
- any low retirement age may only be retained on transfer if it's part of a block transfer as defined by HM Revenue & Customs legislation.
- Wealthtime Select will not pay any benefits on the funds that are transferred until all relevant transfer information has been received.
- I will be responsible in respect of any claims, losses and expenses that Wealthtime Select and the transferring provider(s) may incur as a result of any incorrect information provided by me or of any failure on my part to comply with any part of this application.

I acknowledge and accept the SIPP key features and Wealthtime Select terms and conditions. I understand that the services provided don't constitute financial advice under the terms of the Financial Services and Markets Act 2000.

I also accept the fees detailed in the Wealthtime Select fees schedule.

Benefit drawdown glossary

Drawdown options

All new clients and existing clients who haven't entered capped drawdown on or before 5 April 2015 and are wanting to take income after 6 April 2015, will be paid via flexi-access drawdown pension. Additionally, any existing clients who were previously using flexible drawdown will automatically be converted to flexi-access drawdown from 6 April 2015. Existing clients who entered capped drawdown on or before 5 April 2015 will remain on capped drawdown, until they convert to flexi-access drawdown.

Payment of pension income

All income payments, irrespective of frequency, are paid on the first business day of the month.

Tax rules applying to flexi-access income drawdown payments

All payments will be taxed at your marginal rate and all payments will be processed using the monthly payroll process.

HM Revenue & Customs PAYE rules require pension operators to deduct tax from income drawdown pension payments (after any pension commencement lump sum has been removed) using the emergency tax code from the first month, until we've received instructions to use a revised tax code from HM Revenue & Customs. Using an emergency tax code may result in you initially paying more or less tax than you should. HM Revenue & Customs may then adjust this position through your tax code or through self-assessment.

If we're given a P45 from a previous pension provider, before we make the first pension payment, we'll use this code from the first month if HM Revenue & Customs rules allow us to do so. If they don't allow us to use the code on the P45, then payments will be taxed using an emergency code.

If you take your full fund in one payment, we'll close the payroll immediately after the payment is made and send you a P45. You'll need to keep this safe as it's evidence of the income you've received, and any tax deducted in the tax year. It may also be required if you're asked to complete a self-assessment tax return, or if you need to make an in-year reclaim directly from HM Revenue & Customs.

If you take your fund in regular or ad hoc payments, we'll only close the payroll and send you a P45 after the final payment has been made to you. If you have unpaid funds remaining at the end of the tax year, and we've made at least one payment to you in the tax year, we'll send you a P60.

If you require this document in an alternative format please contact us.

Wealthtime and Wealthtime Select are trading names of Wealthtime Limited. Wealthtime Limited is a limited company registered in England and Wales. No. 06016480. Registered Office: 1 London Road Office Park, London Road, Salisbury SP1 3HP. Wealthtime Limited is authorised and regulated by the Financial Conduct Authority. FCA Number 468461.

Regular capped drawdown income considerations

The frequency options are designed for clients who want to take regular income at fixed times throughout the tax year.

Please note: if you choose a quarterly, half-yearly or yearly regular income option, we won't be able to make any ad hoc payments outside of your chosen frequency. If you want to take payments more often, you'll need to select the monthly payment option.

Remember, changing the frequency of payments mid-way through a tax year could result in you initially paying a higher amount of tax.

Cleared funds must be available in your account, at least three working days before the payment date, to pay the required income, otherwise the payment will be carried over to the 1st business day of the next month.

If you convert from capped drawdown to flexi-access drawdown, you'll need to specify one of the new flexi-access income frequencies for future payments.

Flexi-access drawdown income considerations

If you're taking an income withdrawal as an ad hoc or full-fund payment, this may result in you paying tax at a higher marginal rate than if you took regular payments and could result in paying more tax initially than you should. If this happens, HM Revenue & Customs will adjust your tax position through your tax code or through self-assessment at the end of the tax year or, in certain circumstances, via an in-year repayment request (you'll need to contact HM Revenue & Customs directly to discuss this option).

If you choose the monthly payment option, you can decide to suspend payments for one or more months or take an ad hoc payment, in addition to a regular monthly payment. In all cases, where this has not been specified above, we'll require income amendment instructions to be received by us at least 15 working days in advance of the payment date for us to be able to action these requests in time. Please note that all ad hoc or full-fund payments will be paid on the first business day of the month you specify (subject to the request being received at least 15 working days in advance of the payment date).

Ad hoc payments, where not specified above, will require specific information (including the gross amount and payment month) to be sent to Wealthtime Select at least 15 working days in advance of the payment. Cleared funds must be available in your account, at least three working days before the payment date, to pay the required income otherwise the payment will be carried over to the first business day of the next month.
