

Asset Request Form

The Wealthtime Investments List provides details of the wide range of Assets available through the Wealthtime platform. This includes authorised U.K. domiciled (Unit Trusts and OEICs) and recognised off-shore funds (ICAVs, SICAVs). ETFs trading on the London Stock Exchange may be made available through our broker.

Please use the link to check first whether the Asset is already available through Wealthtime:

<https://www.wealthtime.com/advisers/wealthtime/wealthtime-investments/>

If the asset is not available on Wealthtime, please complete this form to request a new Asset that will be reviewed by the Wealthtime Asset Onboarding team. If the asset provider is not currently on the platform, the assets may take considerably longer to make available.

Please note that all fields must be completed. Failure to complete this form will result in the request being rejected.

Once completed, please email the form to the Asset Onboarding Team. Wealthtime will accept receipt of this form without a signature, provided it is submitted as an attachment (.pdf) to an email addressed to assetonboarding@wealthtime.com
